

Appendix E: West Hill Village Hall Special Conditions of Hire during COVID-19

Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire

SC1:

You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

SC2:

You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

SC3:

You will be responsible for cleaning door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire **before** other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving.

Please take care cleaning electrical equipment. Use cloths - do not spray!

SC4:

You will make sure that everyone likely to attend your activity or event understands that **THEY MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 48 hours, and that if they develop symptoms, however mild, within 48 hours of visiting they must alert NHS Test and Trace and seek a COVID-19 antigen test.

If they have received a positive coronavirus (COVID-19) test result, they should immediately self-isolate and stay at home for at least 10 days from when symptoms started.

SC5:

You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

SC6:

You will ensure that no more than [number to be confirmed on a case by case basis] people attend your activity/event, in order that social distancing can be maintained. You will ensure that people attending do so in groups of no more than 6 (unless they are a “qualifying group”) and that such groups do not mingle. You will ensure social distancing of 2m between individuals or groups is maintained by everyone attending as far as possible, including while waiting to enter the premises, and where this is not possible observe social distancing of 1m plus mitigation when using the one-way system within the premises and more confined areas (e.g. moving and stowing equipment, accessing toilets) which should be kept as brief as possible. You will make sure that no more than two people use each suite of toilets at one time.

SC7:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

SC8:

You will position furniture or the arrangement of the room as far as possible to facilitate social distancing of 2m between individual people or groups of six or less people or 1m with mitigation measures such as: seating side by side, with at least one empty chair between each person or household group, rather than face to face, and good ventilation. If tables are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g. using a wide U-shape

SC9:

You MUST keep a record of the date and time the activity started and the name and contact telephone number or email of all those who attend your event (or a member of any group of up to 6 people who attend together). This should be done by operating an advance booking system which collects these details. Anyone who attends your activity or event can scan the NHS QR poster at the room entrance if they wish to do so by using their smartphone app, to register their attendance. This is an additional measure to support NHS Test and Trace.

SC10:

A rubbish bin and a supply of bin bags will be provided in each room. You will be responsible for emptying the bin in the room hired and taking away with you (when you leave the hall) all rubbish created during your hire, including tissues and cleaning cloths.

**SC11:**

Please encourage your group to bring their own drinks and food where possible. If food or drink is being served (as distinct to being made on a DIY basis) it must be served only at tables or as a takeaway service. Provision of food or drink MUST cease before 10pm (i.e. be cleared away by then). If food and drink is served at tables you MUST ensure there is no mingling between groups at different tables, which must be seated in accordance with SC6. You will be responsible, if drinks or food are made on the premises, for ensuring that all crockery and cutlery is washed in hot soapy water, dried and stowed away. You will bring your own clean tea towels, so as to reduce risk of contamination between hirers, and take them away. We will provide washing up liquid and washing up cloths.

SC12:

We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

SC13:

In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to the designated safe area which is the ground floor disabled toilet. A COVID-19 first response kit will be stored in there. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home. Inform the Hall Manager Mike Hemming or Bookings Secretary Sarah Woolfries on Tel: 01404 819160.

SC14:

For events with more than 30 people (when allowed) you will take additional steps to ensure the safety of the public in relation to COVID-19 and prevent large gatherings or mass events from taking place, for example by operating a booking system or providing attendants or stewards who will ask people to seat themselves furthest from the entrance on arrival, to exit closest to the exits first and invite people to use toilets in the interval row by row.

SC15:

In order to avoid risk of aerosol or droplet transmission you must take steps to avoid people needing to unduly raise their voices to each other e.g. refrain from playing music or broadcasts at a volume that makes normal conversation difficult.

SC16:

Other special points as follows:

- Where a Sports, exercise or performing arts activity takes place you will organise it in accordance with guidance to deal with COVID-19 risks issued by the relevant governing body for your sport or activity.
- Where a group uses their own equipment do not share it with other members.
- Avoid using equipment which is difficult to clean, as far as possible. You will ensure that any equipment you do provide is cleaned before use and before being stored in the hall's cupboards.
- The padded chairs must not be used as they are difficult to clean.
- The Public Address (PA) system fitted in Oak Hall is out of operation for now and must not be used.

SC17:

You will encourage all those attending your activity to wear a face covering in Communal spaces unless an exemption or other government guidance applies. A face covering is not required when people are eating or drinking but they should be seated.

SC 18:

Closing: Provision of food and drink MUST cease by 10pm. Any bar, dinner or similar activity MUST close by 10pm.
